

Motion Graphics Task

Create a **short motion graphic (10–20 seconds)** that introduces you in a fun and visually engaging way:

- Use animated text to highlight key details about yourself
- Add smooth transitions for a clean and dynamic flow
- Include basic graphics/elements to enhance visual appeal
- Use music or sound to make it more immersive
- Keep it creative, engaging, and impactful
- Let it reflect your personality and unique style

Note:

You can choose to either:

- Apply only for Design Domain (Main task only)
- Apply for Design + Motion Graphics (Main task + Bonus reel), OR apply only for Motion Graphic (Just submit the reel!)

Submission Guidelines

- Export your final output in a standard video format (MP4 or MOV) with clear visuals and smooth animation.
- Upload your final video to Google Drive.
- Ensure that the submitted link is publicly accessible.
- Submit the link before the specified deadline.
- Submissions without proper access or incomplete entries will not be considered.

Wishing You All the Best
